RISE & REACH BEYOND EXCELLENCE

We are now officially in the 2nd half of the school year! With grades finalized for the first semester, its time to make a game plan for the rest of the year. Are you on track to pass your classes? This month we also honor the contributions of African Americans to the history of this country. Teachers will be organizing lessons and class activities geared toward Black History month. Be sure to take advantage and learn while we celebrate. ~Mr. Britton, Principal
